

Phase 2: Org Setup & Configuration

1. Salesforce Edition

- The Developer Org used for implementation

The screenshot shows the Salesforce Setup interface for a company profile. The left sidebar contains navigation links for Setup, Home, and Object Manager. The main content area is titled 'Company Information' and displays the organization's details. The organization name is 'Prof. Ram Meghe Institute of Technology and Research'. The primary contact is 'OrgFarm EPIC'. The address is 'United States'. The fiscal year starts in 'January'. The currency locale is 'English (United States) - USD'. The default time zone is '(GMT-07:00) Pacific Daylight Time (America/Los_Angeles)'. The organization edition is 'Developer Edition'. The instance is 'CAN96'. The page also shows various system settings and a 'Help for this Page' link.
